A COMPOSITE SWEETHEART.

tee Blade.

8c. I do not. I'll confess,
i do not love charming Bess,
i do not love charming Bess,
i do not love charming Bess,
i do not love charms combined
Of Bess and Belle,
And Maud and Nell,
Of Fannie, Winnie,
Stella, Minnie,
Of slossle, Josle,
Grace and Roste,
Alexandra.
And Cassaudra.
Christiana.
And Cassaudra.
Christiana.
And a lot of others, too
Awith hard to suit, say you?),
If, I say, that I could find
the with all the charms combined
Of those I've named above.
Then with her I'd happy live.
My whole heart to her I'd give—
My composite love.

s an extension of the productive capac-ty of the state more real and valuable

han added territory Men who have felt the benefit of their eighborhood and men who work in hop and field will not fail to find and efend a community of interest.

It is quite possible, I am sure, to effect a necessary reduction of our revenues without breaking down our protective arilf or seriously injuring any domestic industry. industry.

The community where the law is the The community where the law is the rule of conduct and where courts, not mobs, execute its penalties is the only attractive field for business investments and honest labor.

I shall need, and heads of departments will need, time for inquiry and deliberation. Persistent importanting will not, therefore, be the best support of an applicant for office.

therefore, be the best support of an ap-plicant for office.

The heads of departments, bureaus, and all other public officers having any duty connected therewith will be ex-pected to enforce the civil service law fully and without evasion.

Our citizens, demociled for the pur-ose of trade in all countries and on many of the islands of the sea, demand and will have our adequate care in their personal and commercial rights.

If our great corporations would more scrupulously observe their legal limitation and duress they would have less cause to complain of their rights or of violentinterference with their operations. Honorable party service will certainly not be esteemed by me a disqualification for public office, but it will in no case be allowed to serve as a shield for official negligence, incompetency or delin-

Let us exait patriotism and moderate our party contentions. Let those who would die for the flag of battle give bet-ter proof of their patriotism and higher glory to their country by promoting fra-ternity and justice.

ternity and justice.

The mill fires were lighted at the funeral pile of slavery. The emancipation proclamation was heard in the depths of the earth as well as in the sky. Men were made free and material things became our better servants.

How shall those who practice election frauds recover their report for the same.

cotton fabrics. And when the harvests from the fields,

And when the harvests from the heigs, the cattle from the hills, and the ores of the earth shall have been weighed, counted and valued we will turn from them all to crown with the highest honor the State that has most promoted education, virtue, justice and patriotism among its people. There are many ways in which the

There are many ways in which the convenience and confort of those who have business with our public officers may be promoted by thoughtful and obliging officers, and I shall expect those whom I may appoint to justify their selection by conspicuous efficiency in the discharge of their duties.

We absult not seem to be becautable.

The people of all Congressional districts have an equal interest that elections in each shall truly express the views and wishes of the majority of the qualified electors residing in it. The result of such elections are not local, and the insistence of electors residing in other districts that they shall be pure and free does not savor at all of impertinence.

If the column 10 congressional districts that electrons with one bottle has been mirraculously cured. He rame is Mrs. Luther Lutz.' Thus writes W. C. Hamrick & Co., of Shelby, N. C.—Get a free trial bottle at Logan & Co.'s drug store.

Marriage has always been a lottery; in ancient times a wife was selected by Lot.

If the educated and influential classes If the educated and influential classes in the community either practice or connive at a systematic violation of laws that seem to them to cross their convenience what can they expect when the lesson that the convenience or supposed class interest is a sufficient cause for law-lessness has been well learned by the ignorant classes. The convenience of partition in the convenience sed | When she had Children, she gave them Castoria.

The evil example of permitting indi-

stride to the westward. That which was the body has come to be only the rich fringe of the nation's robe.

The offices of an intelligent or of a friendly arbitration in proper cases should be adequate to a peaceful adjustment of all international difficulties. By such methods we will make our contribution to the world's peace.

tribution to the world's peace.

The masses of our people are better fed, clothed and housed than their fathers were. The facilities for popular education have been vastly enlarged and more generally diffused. The virtues of courage and patriotism have given recent proof of their continued presence and increasing powerin the hearts and over the lives of our people. The influences of religion have been multiplied and strengthened. The sweet offices of and strengthened. The sweet offices of charity have been greatly increased. The virtue of temperance is held in high es-

Not the Question She Expected.

A MINE OF RICHNESS,

Nuggets Dug Out of President Harrison's Great Inaugural Address.

The man in whose breast faith in the efficiency of law has been darkened is naturally a subject of dangerous and uncanny suggestions.

Every new mine, furnace and factory is an extension of the productive capact.

Chicago Tribusa.

"Miss Laura," began the youth, with a flushed face and a tremor in his voice, "One moment, please, Mr. Hankinson. Willie, you are making too much noise naturally a subject of dangerous and uncanny suggestions.

Every new mine, furnace and factory is an extension of the productive capact.

mopping his brow with a treasure, hand, "if you—"
"Willie, take those blocks instantly

"Willie, take those blocks instantly and go."
"If you have tried that new headache remedy you said the other evening you were going to take, and if it did you any good. I am nearly wild with a head-nehe to-night."

"I have forgotten the circumstance to which you allude, Mr. Hankinson," said Miss Kajones, coldy. "Willie, you may remain if you wish."

The Bill Was Paid. Detroit Free Press.

Detroit Free Fress.
"I'll see about it," he said, as he banded the bill back to the collector.
"It's only \$5, and—"
"I'll see about, I told you!"
"And we need money. It would be a great fayer.

"And we need money. It would be a great favor."
"Didn't I say I would call?"
"Yes; but when?"
"Look here!" said the debtor, as he rose up, "do you mean to insult me?"
"No, sir. I mean to go down to the papers and get them to put in a notice that you will soon depart for Europe, Good day, sir!"
"Here! come back! Here's your money! Do you suppose I want 500 cd.

money! Do you suppose I want 500 col-lectors making a rush on my office? Please receipt the bill. Sorry I kept your folks waiting for it."

Picule in Prospect for the Clerks.

"Going down-town, Maria?"
"Yes."
(Gloomily) "How much money do you want this time?"
"Ten cents, John, if you please, for car fare. I'm only going shopping."

Catarrh Cured.

A clergyman, after years quency.

We shall neither fail to respect the flag of any friendly nation or the just from that loathsome disease, Catarrh, rights of its citizens nor to exact a like treatment for our own. Calmness, justice, and consideration should characterize our diplomacy.

Let us exalt patriotism and moderate our party contentions. Let those who would die for the flag of battle give between the formal patriotism and higher when the flag of battle give between the formal patriotism and higher when the flag of battle give between the flag of battle give be

Patti says plenty of sleep is the secret of preserving one's beauty. The hired girl believes this.

B. B. (Setante Blood Balm.) If you try this remedy you will say as many others have said, that it is the nest blood puri-

Men were made free and material things became our better servants.

How shall those who practice election frauds recover their respect for the sane-try of the ballot which is the first condition and obligation of good citizenship? The man who has come to regard the ballot-box as a juggler's but has renounced his allegiance.

If the question of tariff became in any sense or at any time sectional it was only because slavery existed in some of the States. But for this there was no reason why the cotton-producing States should not have led or walked abreast with the New England States in the production of cotton fabrics.

bottle of B. B. B. cured use.

J. J. Hardy, Toccoa, Gs., writes: "B. B. B. is a ruleck cure for entarth. Three bottles cured me.
I had been troubled several years."
It spink, Atlanta. Ga., says: "One bottle of B. B. B. completely cured my child of eczens."
W. A. Pepper, Fredonia, Ala., writes: "B. B. cured my mother of ulcerated sore throat."
Logan & Co., wholesale agents.

The one cent per head duty on foreign cabbages will not prevent some of the European visitors from writing books on this country.

A Woman's Discovery. may be promoted by thoughtful and obliging officers, and I shall expect those whom I may appoint to justify their selection by conspicuous efficiency in the discharge of their duties.

We should not cease to be hospitable to immigration, but we should cease to be careless as to the character of it. There are men of all races, even the best, whose coming is necessarily a burden upon our public revenues or a threat to social order. These should be identified and excluded.

A Woman's Discovery.

"Another wonderful discovery has been made and that too, by a lady in this county. Disease fastened its clutches upon her, and for seven years she withstood its severest tests, but her vital organs were undermined and death the seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. she will be used to be provided in the seemed of the seem of the seem of the seemed of the seem of the seem

Advice to Mothers.

Are you disturbed at night and broken nullify the laws because they cross some selfish or local interests or prejudices is full of danger not only to the nation at large but much more to, those who use this pernicious expedient to escape their just obligations or to obtain an unjust advantage over others.

I have already rejected any suggestions of a special executive policy for any section of our country. It is the duty of the executive to administer and enforce, in methods and by instrumentalities pointed out and provided by the Constitution, all laws enacted by Congress.

These laws are general and their admintation should be uniform and equal.

We have happily maintained the poli-The Verdiet Unantises.

An oath taken in the presence of the p

attempting unfairly to coin the distresses of other powers into commercial advantage to ourselves.

An oath taken in the presence of the people becomes a mutual covenant. The officer covenants to serve the whole body of the people by a faithful execution of the laws, so that they may be the unfailing defense and security of those who respect and observe them, and that action are been really in the wealth, station, nor power of the malter wealth, station, nor power of the molitary of the security of those who respect and observe them, and that action wealth, station, nor power of the molitary of the security of those who respect and observe them, and that action wealth, station, nor power of the continuations shall be able to evade their penaltics or to wreat them from a beneficent public purpose to serve the ends of cruelty or sellationess.

The Territory of Dakota has now a population greater than any of the original States (except Virginia), and greater than the aggregate of five of the smaller states in 1700. The center of population when our National Capitol was argued by well-informed persons that it would move castward rather than westward. Yet in 1880 it was found to be near Cincinnati, and the new census about to be taken will allow another separate the continuation of the content o

GARNERED GRAINS.

The night has a thousand opes,
And the day but one;
Yet the light of the bright world dies
With the dying sun.
The mind has a thousand eyes,
And the heart has but one;
Yet the light of a whole life dies
When life is done.

— Hourdill.

If you create something, you must be something.—Goethe, The situation that has not its ideal was never yet occupied by man.—Cur-

In these days we fight for ideas, and newspapers are our fortresses.—Henrich Heine. Nothing is so strong as gentleness; nothing so gentle as real strength.—St. Francis de Sales,

For the sake of one good action a hundred evilones should be forgotten.—Chicago Proverb.

cago Procerb.

Ceremonies are different in every country, but true pollteness is everywhere the same.—Goldsmith.

The days are made on a loom whereof the warp and woof are past and future time.—Emerson.

Fruitless is sorrow for having done amiss if it issue not in resolution to do so no more.—Bishop Horne.

Truth is the most powerful thing in the world, since fiction can only please by its resemblance to it,—Shaftesbury. Those voices which speak to us in solitude grow faint and inaudible as we en-

true grow mant and mandide as we enter in the world.—Matthew Arnold.

Every step of progress that the world has made has been from scaffold to scaffold, and from stake to stake.—Wendell Phillips. Phillips.

The voice of conscience is so delicate that it is easy to stifle it; but it is also so clear that it is impossible to mistake it,—Mme. de Stael.

The true ideal is not opposed to the real, nor is it any artificial heightening thereof; but lies in it; and blessed are the eyes that find it,—Lowell. If you wish for success in life make perseverance your bosom friend, expe-rience your counselor, caution your elder brother and hope your guardian genius.

Addison.

The looking glass may say what it pleases. The heart of friends is the mirror of good men. And in that glass we shall be beautiful enough if we are good enough.-Beecher.

Wit loses its respect with the good when seen in company with malice, and to smile at the jest which plants a thorn in another's breast is to become a princi-pal in the mischief.—Sheridan. Honest good humor is the oil and wine of a merry meeting, and there is no jo-

vial companionship equal to that where the jokes are rather small and the laughter abundant .- Washington Irving. My opportunities in youth for acquiring an education were limited, but I had the great good fortune of being well supplied with useful books, and those gave me my success in life.—Daniel Web-

We are faithful to our country, if we acquiesce with good will in the decisions of the majority, and the nation moves in mass in the same direction, although it may not be that which every individual thinks best, we have nothing to fear from any quarter.—Jefferson.

any quarter,—Jefferson.

It is very indiscreet and troublesome ambition which cares so much about fame, about what the world says of us; to be always tooking at the faces of others for approval; to be always anxious about the effect of what we do or say; to be always shouting, to hear the echoes of our own voices.—Longfellow. Way is it so many suffer from rheu

a, liver complaints, heart affection, etc.?

It is simply because they will not come and be healed. All diseases begin from a want of iron in the blood. This want of iron makes the blood thin, watery and impure. Impure blood carries weak ness and distress to every part of the body. Supply this lack of iron by using Brown's Iron Bitters, and you will soon find yourself enjoying perfect freedom from aches, pains and general ill-health.

Day

Da. Henley's Celery, Beef and Iron quiets nervous irritability and gives refreshing sleep to those troubled with insomnia.
